

## General Information on Structure for [ETV ONLINE Teacher Recertification Courses](#)

- ETV Teacher Recertification courses are provided by ETV Education for South Carolina educators and approved for renewal credit by the SC Department of Education Office of Educator Services.

### ETV Online Teacher Recertification courses for One-hour/20 renewal credit (Annenberg and Other ETV courses):

- All one-hour/20 renewal credit courses are provided online in five, 6 to 8 week-long sessions: FALL, WINTER, SPRING I, SPRING II, and SUMMER. (NO graduate credit offered.)
- All one-hour/20 renewal credit courses are self-paced and facilitated online in Moodle, a learning platform site where the courses are created and placed.
- All one-hour/20 renewal credit courses contain between 8-16 video lessons each, which equals approximately 8-10 hours of viewing time. For the courses that include Annenberg videos, the link to access the video lesson will take you to the Annenberg site to view the video lesson. Be sure to come back to the [ETV Course site](#) to answer the discussion topic question.
- After viewing each video lesson online, you then answer a discussion topic question about that video lesson. You require a 100 word response (some topics vary from the standard and you are directed to either limit response to less than 100 words or there is no length requirement). Please note, all work and the evaluation must be completed by the end date of each session.
- As you view video lessons and answer question on each video for your discussion topic posts, your responses are read and rated by course facilitator on a pass/fail basis. If you complete several lessons at once, please know our facilitator approves them as quickly as possible.
- During the course, you are also encouraged to respond to other class participant's discussion topic posts.
- Once you complete all course work successfully by the designated end of the session, you must complete the final course evaluation by answering a few questions.
- Once we sign off that you have completed the evaluation, your certificate of completion will unlock and you may print it. (It is your responsibility to provide copy of certificate(s) of completion to SDE Office of Educator Services and/or their school district.)
- ETV Education will send a Completion list to SDE Office of Educator Services within 10 working days after the course-end date.

### ETV Teacher Recertification courses for 3 hours/60 renewal credits:

- Currently, the only three-hour course offered is *Natural History In and Out of the Classroom with Rudy Mancke*.
- This course is only offered in FALL and SPRING I sessions. We must have 10 enrolled to provide the course.
- Course is self-paced, but there are deadlines during the session when you must turn in assignments. See the synopsis on the course page for requirements and deadlines.
- The videos and assignments are facilitated **online** and there is a required final face-to-face meeting in Columbia.

Go to <http://scetv.org/teacher-recertification> to find courses, descriptions, registration, and online payment. For more information, contact ETV Education at 737-3245 or 1-800-277-3245.
